Response to Office Action

In the Final Office Action mailed September 12, 2005, the Examiner rejected Claims 2-7, 9-14, and 32-40. In a telephone interview with the Examiner on November 10, 2005, the Examiner recognized that U.S. Patent No. 6,463,414 ("*Su*") is not prior art under § 102(a) as stated in the Final Office Action and that *Su* is only prior art under § 102(e) to the extent of the disclosure of the provisional application to which *Su* claims priority. In light of this discussion, the Examiner agreed to re-consider the claim rejections. Accordingly, Applicants respectfully request allowance of all pending claims.
